

chez jules

Bonjour tout le monde!

Chez Jules' customers and employees will always be our
Number One Priority.

We have no plans to close our doors during these uncertain
times; while you continue to walk through them,
we will be here!

We are doing all that we can to maintain a safe environment -
increased daily cleaning procedures with a particular focus on
higher risk contact areas as well as Hand Sanitiser available for
use by our customers.

These are difficult times for all businesses and as an
independent restaurant, we would like to say
Thank You for your continued support.

If you have any questions or would like to make or cancel
a booking, please call us on 01244 400 014
or email us on bonjour@chezjules.com
